

AGREEMENT FOR CHANGE OF POINT OF DELIVERY

THIS AGREEMENT made this _____ day of _____, _____, by and between Big Lost River Irrigation District, hereinafter referred to as "District", an irrigation district organized and existing under and by virtue of the laws of the State of Idaho and _____, of _____ hereinafter referred to as the "Landowner".

WITNESSETH:

WHEREAS, the Landowner is the owner of those lands described in the Assessment Rolls of the District as Account Number _____, more fully described as:

| |
|--|
| |
| |
| |
| |

And,

WHEREAS, the above described real property is within the Big Lost River Irrigation District and the Landowner presently receives water for the irrigation of said lands from the District at the following point, to-wit:

| |
|--|
| |
| |
| |
| |

WHEREAS, the Landowner desires to change his method of irrigation of the above described lands and desires to accept water for the irrigation of all of the above lands at the following point, to-wit:

| |
|--|
| |
| |
| |
| |

WHEREAS, the DISTRICT is willing to allow that portion of _____ (canal, lateral, or ditch, if any) to be abandoned which is no longer needed to provide water to lands within the DISTRICT or Landowner's land.

NOW, THEREFORE, in consideration of the mutual covenants herein contained it is agreed by the Landowner that he will accept as his point of delivery of water from the District for the irrigation of the lands described in the District's Assessment Roll under Account Number _____, at the following point, to-wit:

| |
|--|
| |
| |
| |
| |

IT IS FURTHER AGREED between the parties hereto that the Landowner, his successors and assigns, will be solely responsible, at his cost and expense, for the delivery of water from the above described delivery point to the lands under Account Number _____, and does hereby agree to accept the point of delivery of irrigation water herein provided for the Landowner.

IT IS FURTHER AGREED by and between the parties hereto that the District may abandon all further rights to that portion of _____ (ditch, lateral or canal) which is no longer necessary to convey water to the Landowner's land and assumes no further obligations of whatsoever kind or nature to operate and maintain that portion of the said delivery facility which is no longer needed for the delivery of water to the Landowner's land.

IT IS FURTHER AGREED that the District assumes no obligation to deliver water to the Landowner at the new point of delivery under pressure and the Landowner does hereby agree to assume all costs and expenses, if any, in providing pressure to water lines for the delivery of water from the new point of delivery to the place of use, or for the construction of any ditches or laterals over easements retained by the District, upon approval by the District.

IT IS FURTHER AGREED that nothing contained herein shall be considered as a relinquishment or abandonment of the existing right-of-way for the maintenance of said lateral or the right of the District to reconstruct the lateral, ditch or other water conveyance system on said right-of-way at such time and under such terms as the District may determine proper under the circumstances.

This agreement shall be binding upon the heirs, administrators, executors personal representatives, and assigns of the parties hereto, and shall run with the land above described.

IN WITNESS WHEREOF, the parties have hereunto set their hands the day and year first above written.
