

Request for Rotation Credit

This form is a formal request for Rotation Credit. Rotation Credit will not be given unless this form is filled out and all parties have signed the form. Each separate decree requested for rotation credit must be listed in the attached table.

Name _____ Date of Request _____
Date Received _____ Date Approved _____

I understand that I can only rotate my decreed water when my particular decree is being filled by water coming into the reservoir. I also understand that all fees for both the Big Lost River Irrigation District and the Water Master Tax must be paid current in order to rotate water. I have also read the attachment and I am in compliance and understand the rules and requirements pertaining to rotation credit.

The attached chart is filled out providing information as to the canal where the water is to be used, the date of the decree, the amount of decree in inches, and the water right number. This chart shows all decrees that are to be rotated.

Each request for rotation credit must be approved by the Water Master of District #34 and the Manager of the Big Lost River Irrigation District.

Rules governing rotation credit from IDAPA 37.03.12-Department of Water Resources Water Distribution Rules-Water District 34.

040.02 **Rotation Credit**, Water rights that do not include storage as a purpose of use may not be stored. Water rights whose source is Big Lost River with their point of diversion below the Mackay Dam may, however, be rotated for credit when such practice improves the efficiency of water use as contemplated by the Big Lost River Irrigation District’s plan of operation.

Decree Rotation Request Information

Canal	Decree Date	Amount (inches)	Water Right Number

Signature of Requester _____ Date _____

Approval, Water Master Dist. 34 _____ Date _____

Approval, General Manager, BLRID _____ Date _____
