

Notice of Intent to Rotate Big Lost River Water Rights into Storage 20____

For water rights details, visit IDWR'S website at <https://idwr.idaho.gov/> → Water Rights Search.

1. WATER USER INFORMATION			
Name	Contact Phone #		
Mailing Address	Email Address		
2. WATER RIGHTS BEING REQUESTED FOR ROTATION			
Identify all natural flow water rights you plan to rotate during the current irrigation season. Use page 2 to list additional water rights.			
Water Right No.	Priority Date	Diversion Rate	Canal Heading
3. MAP(S) OF WATER RIGHTS BEING REQUESTED FOR ROTATION			
Attach a map showing the place of use for the water rights being requested for rotation as listed in section 2 above (maps should be on 8.5" x 11" attachment). A PDF map of each water right can be created via IDWR's Water Right Search: https://idwr.idaho.gov/ → Water Rights Search. In the search results table, click <i>More Options</i> in the left hand column, then click <i>Map</i> .			
4. LIST OF WATER RIGHT(S) WITH OVERLAPPING PLACE OF USE			
Identify all surface and/or ground water rights, <i>excluding</i> BLRID storage rights, with place(s) of use overlapping the place(s) of use of the water rights being requested for rotation as listed in section 2 above. Use page 2 to list additional water rights.			
Water Right No.	Priority Date	Diversion Rate	Source (surface or ground water)
5. WATER USER SIGNATURE			
By signing below, I CERTIFY THAT I intend to beneficially use the water rotated into storage during the year in which the water was rotated and acknowledge that rotated water will only be used on the place of use described by the water right.			
Water User Signature			Date

WATER DISTRICT 34 USE ONLY

Received by _____ Received Date _____
